

ORDERING FOX VALLEY THERAPY DOG CLUB LOGO WEAR

***All registered teams with FVTDC are required to wear a light blue shirt with the club logo imprinted on the left upper side on every visit they make under the FVTDC name.** FVTDC logo wear is not limited to Registered Teams. You may obtain your logo wear at any time after joining the club. All Club members (even if they are not yet a Registered Team) and their family or friends are welcome to obtain and wear logo wear to any FVTDC sponsored event including meetings, practices or other social events.

The following is information you will need to obtain your logo shirt:

- It is recommended to buy at least **two** shirts so you always have a backup just in case one gets damaged or not cleaned in time
- OBTAINING the shirt - two options:
 - You may use a shirt or vest that you purchase on your own from any store such as Meijers, LL Bean, Lands End, www.jiffyshirts.com or others and then mail or take it to the embroidery location listed below OR
 - You may purchase a shirt directly from one of the two locations listed below that have our logo for imprinting. This can be done through the website for either store or in the case of Logomax at their storefront location as well.
- The TYPE of shirt can be:
 - Long or short-sleeved and of a variety of materials including cotton, denim and cotton blend.
 - The shirt may be a pull-over, polo or button-up-the-front style.
 - A vest (light to medium blue) to be worn over a short or long sleeve solid colored shirt.
 - Shirts NOT permitted are sleeveless, "tank" style, or with a low cut front or "see-through".
- The COLOR of the shirt should be a light to medium blue (more sky or grey blue and not green blue or turquoise) and of a solid color (no stripes, or other patterns)
 - If you order on-line at one of the two locations below some of the common names for colors that would fit this category would include: light blue, blue bay, chambray, vista blue, arctic blue to name a few.
- EMBROIDERING the logo on the shirt will be done by one of the two places listed below. NOTE: These locations have our official logo and know where the logo should be placed. Please do not attempt to use a different service then these two.
 - At either location you can do everything on line on their websites and have the shirts shipped to you
 - You can purchase your shirts at a different location and MAIL your shirt to either store and have it mailed back to you. **Please call first to arrange this*
 - You can purchase your shirts at a different location and physically bring them into either store and pick them up when finished. **Please call first to arrange this*
- FINAL NOTE: It should be relatively easy for club members to get club logo wear in a timely fashion with a minimum of effort using these available options.
